## News Release / April 2015 Housing Statistics

“The Honolulu real estate market really heated up in April,” said Jack Legal, 2015 president of the Honolulu Board of REALTORS®. “Sales of both single-family homes and condos increased -- in the case of single-family homes by a significant margin over the previous year. Although the inventory of single-family homes and condos is slowly improving, demand continues to outpace supply. Generally this is the time of year that we begin to see an uptick in the market coming out of the winter doldrums, and it looks like this year is no exception.”

The public is encouraged to visit [www.hicentral.com](http://www.hicentral.com) to see what’s happening in the housing market.
